In 1955, Walt Disney introduced a new form of family entertainment to the world — the theme park — taking guests on adventures into stories of fantasy and discovery. In 2005, Walt Disney Parks and Resorts launched an entirely new kind of family-vacation concept: *Adventures by Disney*. These guided group vacations take families to some of the most sought-after destinations in the world, delivering unmatched guest service by trained adventure guides and local experts, uncompromising attention to detail, and a bit of Disney magic every step of the way.

Adventures by Disney offers itineraries to some of the most beautiful places on the planet including China, Australia, South Africa, Peru, England and France, as well as North American adventures in Alaska, the Canadian Rockies and more. *Adventures by Disney* is a leader in guided group family vacation experiences, in part due to the hassle-free

travel, VIP experiences and activities that enable guests to interact with world cultures in new ways.

OVERVIEW

NEW DEVELOPMENTS

Families will embark on more Adventures by Disney river cruise vacations than ever before in 2021 with 30 sailings along four enchanting European rivers: Danube, Rhine, Rhone and Seine. Select departures are reserved exclusively for families traveling without children, including Food and Wine and Oktoberfest-themed cruises, and festive holiday sailings wrap up the extended river cruise season.

New for 2021, guests aboard Rhine River voyages can travel to Papenburg, Germany, for an inside look at the construction of the fifth Disney Cruise Line ship, the Disney Wish.

COMMUNITY INVOLVEMENT

Adventures by Disney is committed to corporate citizenship. Disney VolunTEARS have been giving back to their communities by visiting schools and reading with students, participating in gift-wrapping projects to aid local charities, caring for trees in neighborhood parks, and organizing efforts to provide children in need with backpacks and school supplies. Select Adventures by Disney itineraries to Southeast Asia include a visit to a school for disabled children, where Adventures by Disney donates school supplies, including drawing materials.

THE ENVIRONMENT

Adventures by Disney offers vacations that include programming led by naturalists and experts in local ecosystems, as well as visits to wildlife conservations.

THE DISNEY DIFFERENCE

Special access – Handcrafted itineraries provide families with access to unique activities and VIP experiences, from exclusive access to The Jim Henson Studios in Hollywood, to a private visit to the Vatican Museum and Sistine Chapel, all designed to immerse guests in the local culture.

Distinctive Disney quality – With Disney’s impeccable service, guests can relax and enjoy memorable experiences with a Disney twist — and surprises around every corner. The quality extends to the hotels, each selected for their outstanding accommodations, comfort and family friendliness.

Adventure Guides – Two Disney-trained Adventure Guides with a gift for creating family fun lead the groups and bring each destination to life through engaging storytelling for the entire family.

Local experts – Exceptional locals, such as a cowboy in the American Southwest, a tai chi master in China or a naturalist in Costa Rica, provide color, context and cultural background in each destination.

Family activities and programs – Specially designed activities ensure that all family members, from the kids to the grandparents, enjoy their trip their way.

Evenings just for kids – On each trip, “Junior Adventurers” spend an evening with their Adventure Guides and newfound friends, eating dinner, playing games, and watching movies, while adults enjoy a relaxing evening at the hotel.

Hassle-free travel – Every detail is taken care of for guests on an *Adventures by Disney* vacation, including concierge service, transportation and refreshments en route and top-quality accommodations. The idea of “just showing up” and enjoying a seamless experience filled with Disney magic ranks among the top reasons guests choose *Adventures by Disney*.
